

## Press Release

For Immediate Release – Thursday, August 30, 2018  
From Central Conveyor Company, Wixom, MI

### **Central Conveyor Recognized by Inc. as one of America's Fastest Growing Companies**

*Central Conveyor earns the position of 1909 on the 2018 Inc. 5000 national list; Number 13 in the Detroit Metro Area.*

Central Conveyor Company, headquartered in Wixom, MI is pleased to announce that it has been recognized as one of the fastest-growing private companies in America by Inc. Magazine (Inc.com).

The Inc. 5000 list ranks the country's top 5000 fastest-growing private companies according to percentage revenue growth over the previous three-years. This special recognition has been published annually since 1982 and will appear in the September 2018 issue of Inc. and at the Inc.com Gala to be held on October 17-19 in San Antonio, Texas.

"This is quite an honor for us," Central Conveyor Chief Executive Office Rick Wells said. "The fact that Inc.com included Central Conveyor Company in its selection of "Inc. 5000: America's Fastest Growing Companies," signals that our constant efforts towards business excellence are paying off. We are proud to be included in this elite group of companies."

Central Conveyor is a global leader in the fields of automotive and industrial conveyor systems, conveyor system integration, custom conveyor design, tooling integration, civil design and controls automation. Central Conveyor opened its new state of the art headquarters and manufacturing facility in Wixom, MI in 2016. Central is celebrating its 25<sup>th</sup> anniversary in 2018 and is proud to include as its major customers great companies such as General Motors, Ford, Fiat Chrysler, Tesla Mercedes, Navistar, Owens Corning, Saint-Gobain, Johns Manville, Knauf, Volkswagen, Nissan and Gallagher-Kaiser.

Central Conveyor maintains facilities in Wixom, MI, Troy, MI, Bessemer, AL and Kansas City, MO. The four locations include staff with expertise in the fields of mechanical and electrical engineering, project management, custom fabrication, installation, integration, tooling and electrical controls. The company also maintains several locations at its customer facilities throughout North America.

In 2018, the Company was acquired by Tsubaki, a global leader in industrial products and equipment. For more information related to Central Conveyor, please visit [www.centralconveyor.com](http://www.centralconveyor.com) or feel free to contact the company at 248.446.0118.
