## **Central Conveyor Recognized by Chrysler Group, LLC as a 2014 Finalist for Supplier of the Year Award Presented at 4th Annual Strategy Meeting & Supplier Awards Event**

### **Auburn Hills, Michigan**

Central Conveyor Company was recognized by Chrysler Group, LLC for being a 2014 Finalist for Supplier of the Year at the 4th Annual Strategy Meeting & Supplier Awards Event held at the Palace of Auburn Hills on Wednesday, June 25, 2014.

Finalists were selected based on their 2013 calendar year performance related to specific criteria in their respective field. Consensus from the Chrysler Group, LLC Global Leadership Team is required for all finalists.

In 2013, Central Conveyor provided conveyor support and solutions for a variety of projects at Chrysler plants throughout the region including Sterling Heights Assembly Plant, Warren Truck Assembly Plant, Toledo Assembly Plant and Brampton Assembly Plant in Canada.

Central Conveyor was nominated in the Capital Equipment Category for the following:

- “Providing high quality technical capability and workmanship.”
- “Providing on-time delivery, despite tight timelines.”
- “Delivering thorough program management that resolved matters quickly and correctly.”

The company is honored about the recognition and feels that it is another positive step in the company’s growth.

Central Conveyor Company designs and builds customized material handling systems, storage retrieval systems and automated conveyance solutions. Their conveyors can both be designed and engineered as a stand-alone unit or they can be fully integrated with an existing manufacturing line.

Celebrating its 21<sup>st</sup> year in business, Central Conveyor Company has been involved with projects throughout the United States, Canada, Mexico and the United Kingdom and has its world headquarters located in Brighton, Michigan.
